

Secondary Science Teacher – (0.8FTE) Commencing January 2018

Lake Joondalup Baptist College seeks expressions of interest from experienced and enthusiastic Science educators. The successful candidate will have the qualifications and personal qualities needed to inspire and teach students effectively and competently as they implement the Australian Curriculum.

The successful applicant will commence January 2018, with the actual starting date to be confirmed.

The load for this position will be between 0.8FTE (with the possibility of full time).

Duties, responsibilities and experience

1. Ability to teach Lower Secondary Science (Years 7, 8, 9) essential and an ability to teach Senior Secondary (Years 10, 11 and 12) desirable.
2. Liaise with parents, teachers and the Head of Science Learning Area to plan, prepare, monitor and report on the progress of students.
3. Work collaboratively as a team member and make an effective contribution to bring about excellence in teaching strategies and educational outcomes.
4. Able to communicate with parents and students, both in formal and informal situations, in order to promote a caring and professional environment within the College community.
5. Work closely with the Head of Secondary Learning Enhancement with respect to the academic program of students with learning difficulties and special needs.
6. Willing to support and promote the Christian ethos of Lake Joondalup Baptist College at all times.
7. Implement all College policies and procedures relating to student management and care and implement any changes from time to time as directed by the Dean of Students.
8. Attend consensus and support meetings organised by AISWA, the School Curriculum and Standards Authority or professional bodies.
9. Support the Dean of Studies and Head of Science Learning Area with regard to the implementation of the Australian Curriculum, in line with the School Curriculum and Standards Authority of WA and the Australian Curriculum, Assessment and Reporting Authority.
10. Teach and undertake other duties as specified by the Head of Science Learning Area and the Dean of Administration.
11. Contribute annually a minimum of 40 hours (pro rata) to co-curricular activities.
12. Provide in-class support to students with learning difficulties and special needs.
13. Assist with a Connect class and participate in House activities.
14. Attend after school meetings of Secondary Teachers and the Science Learning Area.
15. Other duties as directed by the Principal.

Qualifications and personal qualities

1. Registration or eligibility for registration with the Teacher Registration Board of Western Australia.
2. The successful applicant will have excellent interpersonal and professional qualities, including compassion, strong written and oral communication skills, initiative and ability to work as a team member.
3. An ability to integrate ICT into pedagogical practices.
4. A current reference from the applicant's Church Pastor/Minister is desirable.

Commencement date

January 2018
