

ICT @ LJBC

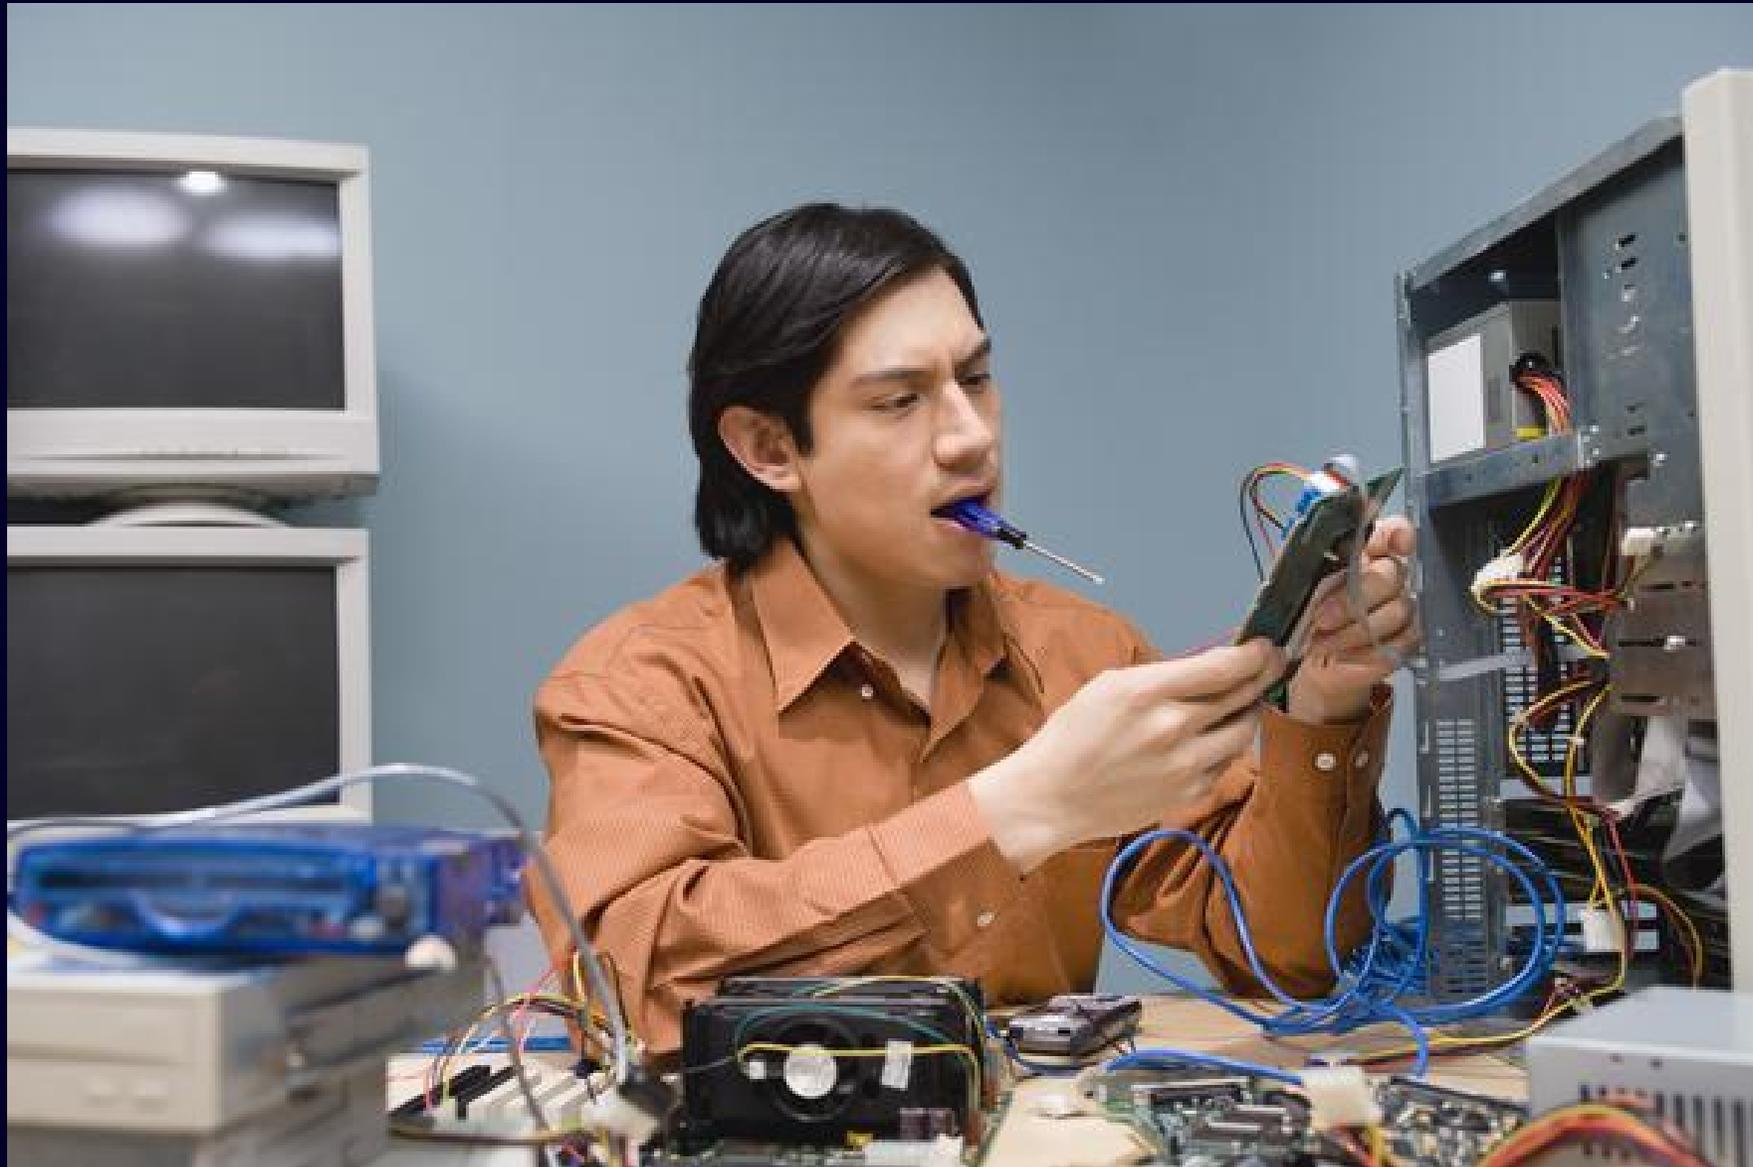

What do we do?

What our friends think we do

What our mums thinks we do

What student think we do

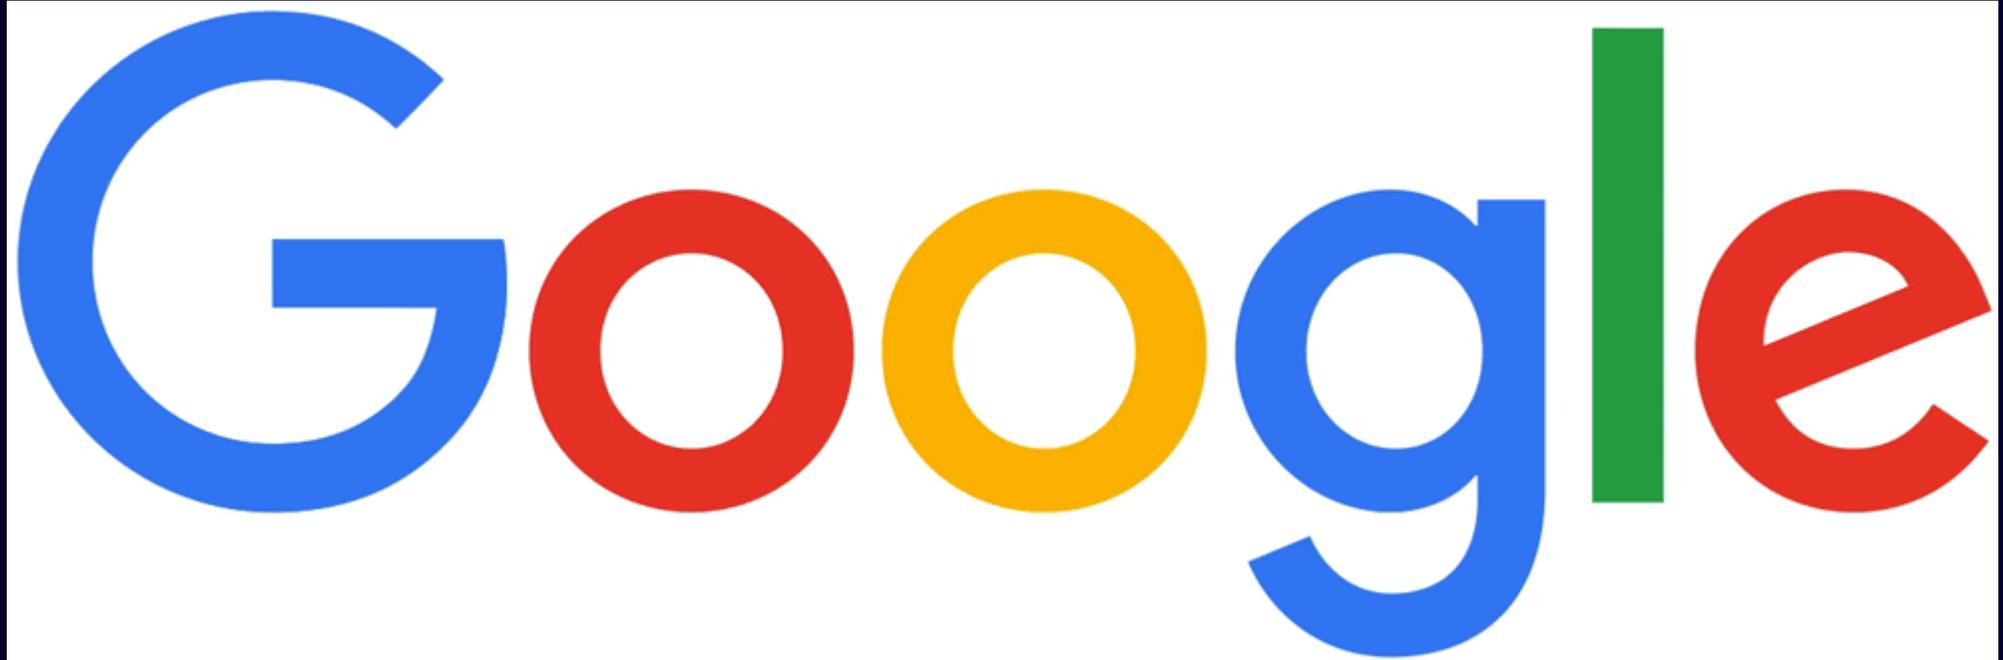

What co-workers think we do

What we think we do

What we actually do

What we actually do

- Maintain and support
 - 1000 college devices
 - 90 wireless access points
 - 40 servers

- Basic support student devices

LJBC BYOD Support

Life is short. **Smile**

DO NOT
FEEED
ALLIGATORS

YES

WHEN?

HOW
HEART
AKE
BRAIN
YOU.

- iPad
- Anything running Android
- Windows RT
- Windows 7 or earlier
- Chromebook
- Tablets

DON'T DO IT.

STAY AWAY.

Hints and Tips

- Windows 8 & 10 comes with a built in anti virus
- Think about purchasing a full sized monitor, keyboard and mouse for home
- The college has spare laptops if your is in for repair
- Have you tried tuning it off and on again
- Google is your friend – use it to help solve problems
