

Pre Kindergarten

Lake Joondalup
Baptist College

Innovative programs which foster
creativity through self-expression,
sensory experiences, music and the arts.

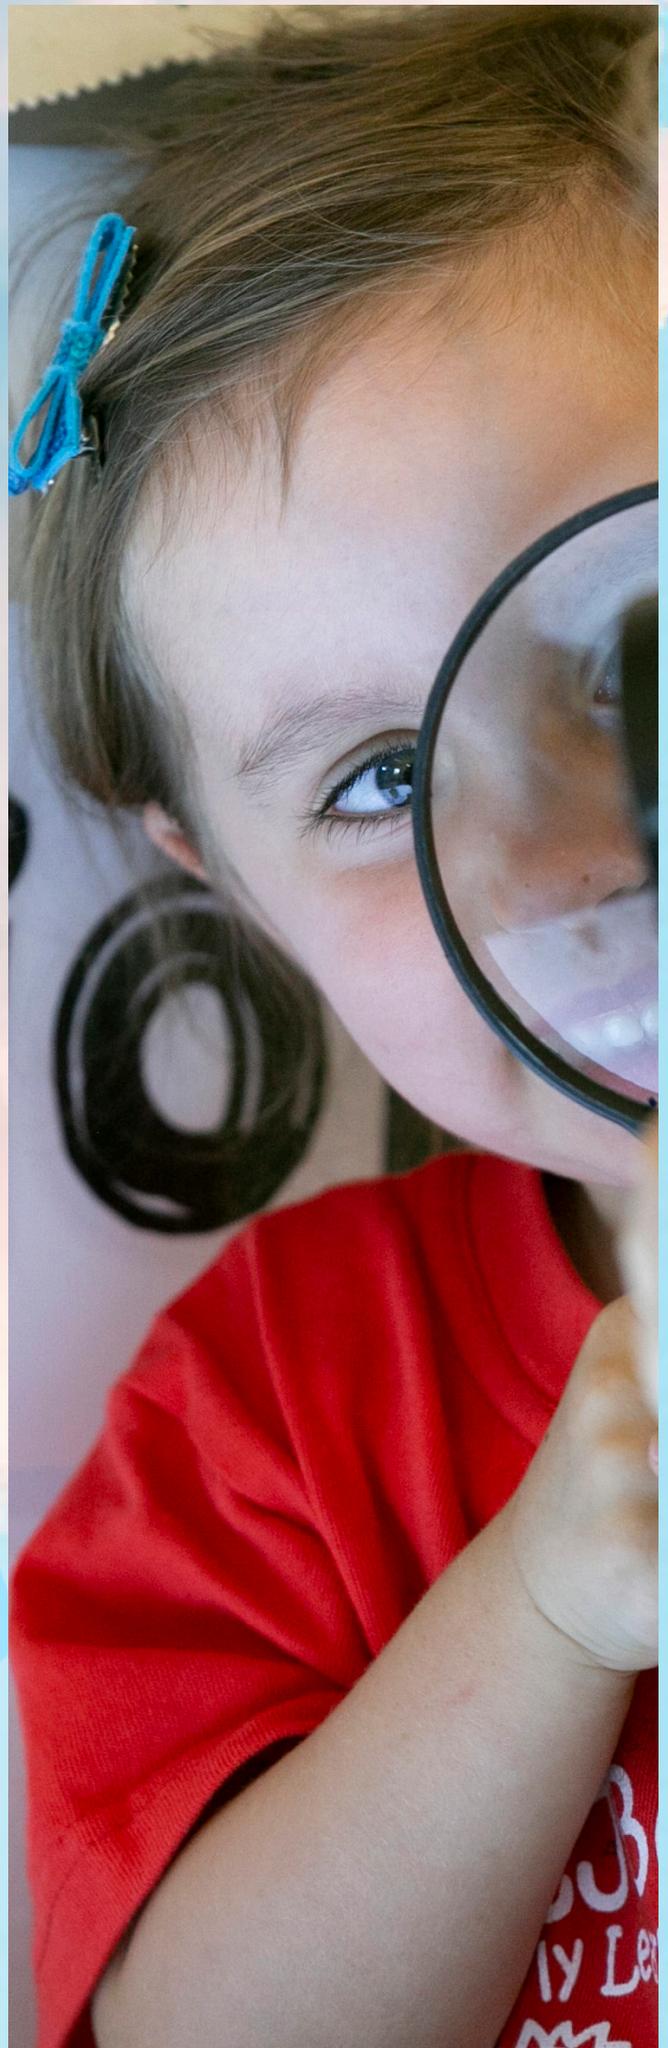

*Education is not the
filling of a pail,
but the lighting
of a fire.*

- WB Yeats

*Every good and
perfect gift is
from above.*

- James 1:17

Nurturing *confidence and social awareness*
enabling cooperation, respect, and positive relationships.

Literacy programs rich in *language and communication* skills that encourage wonder, exploration and guided inquiry.

An appreciation and love for nature and *God's world*
where they will grow and find their place.

Our Pre Kindergarten program is an educational 'learning-through-play' program. It will provide your child with meaningful experiences that promote the development of spiritual, social, emotional, intellectual, creative and physical skills in partnership with families.

Our staff create a caring, safe and stimulating environment that nurtures your child's disposition to wonder, explore and construct meaning about the world.

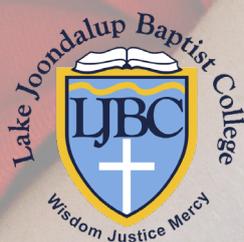

The Early Years Learning Framework guides the experiences of the children in this program. It has ***'a specific emphasis on play-based learning and recognises the importance of communication and language and social and emotional development.'***
